<p>Diamond FX HydroColor make Up is a professional waterbased make up with a maximum coverage and the brightest blacklight colors. Available in 3 sizes, and a 10 gr refill, Essential, Metallic and Neon/Blacklight. 45 &amp; 90 gram containers are stackable.</p> <p>Check the website for our most recent colors and products.</p> <p>Diamond FX hydro makeup is our strong pigmented make-up line of professional water-based make-up.</p> <p>Use a <b>SMALL AMOUNT OF WATER</b> to work with Diamond FX using a sponge or brush.</p> <p>However, our advise is "Do not apply to irritated skin". For all the instructions ask your vendor, read the tips on our website and contact us when you have questions.</p> <p>Use a <b>SMALL AMOUNT OF WATER</b> to work with Diamond FX using a sponge or brush.</p> <p>This make-up can be applied with sponge or brush, and is easily removed with soap and water, or wipes.</p> <p>When your cake does seem to wet, you can try to put in it the microwave for a 3-4 seconds to dilute the damp.</p> <p>If water was to long in your container, please do not use the cake anymore, to avoid any rash or skin problems due to bacteria that come with the water staying to long in a container.</p>
